

## Media library

Below you will find a WeTransfer download link to our media files for all five HEKA units and the patient chair.

The photo pack includes different formats such as tif, jpg and png for each product.

The HEKA+ patient chair photo folder also contains images of the HEKA S+, HEKA I+ and HEKA G+ units together with the new chair.

Product	Media type	Resolution	Purpose	File size	Link
HEKA S+	Photos/logo	High resolution	Print, web	659 MB	<a href="#">Download</a>
